Sold

REF: 6101

Height: 75 cm (29.5")

Width: 44 cm (17.3")

Depth: 50 cm (19.7")

DESCRIPTION

Set of four chairs called "Alu-Flex" by the Swiss designer Armin Wirth.

Originally designed for a school, they are stackable: their base is in cast aluminium, the seat and backrest in molded plywood.

We love their finesse and simplicity and the contrast of the red and the blue feet.

Manufacturer: AluFlex, Switzerland.
