A beautiful vintage Bird armchair and its ottoman by famous Italian designer Harry Bertoia manufactured by Knoll in the USA as of the 1950s. This emblematic armchair is characterized by an aerial line that leaves all its place to space, like a metal sculpture reminiscent of a diamond shape.

Crafted with a framework of chrome-plated steel rods, stretched and welded to form a mesh, resting on two sled legs, it comes with a covering in thick woven wool from Kvadrat and its matching ottoman.

In excellent original condition, with no fragility issues.
Ottoman: 36 x 58.5 x 43.5 cm.
