DESCRIPTION

Rare set of six solid pine stools crafted in an inverted U-shaped design. They boast a consistent patina, originating from the same dwelling. This particular model was handpicked by Charlotte Perriand for the iconic Les Arcs 1800 ski resort.

Driven by a profound love for the mountains, Charlotte Perriand dedicated two decades (1967-1989) to shaping the conceptualization and furnishing of the Les Arcs ski resort in the picturesque French Alps.
