DESCRIPTION

Nara is a coffee table designed by Shiro Kuramata for Memphis Milano in 1983.

This iconic piece, representative of the Memphis movement, is crafted from concrete conglomerate and terrazzo, with vibrant shards of colored glass that infuse it with energy and dynamism. The base, like the top, combines concrete and glass, creating a bold and cohesive design. The striking colors and geometric shapes typical of Memphis design amplify the table's unique and contemporary character.

Manufacturer: Memphis Milano.
