

ML3 table lamp by Ingo Maurer, Design M, circa 1966

Ingo Maurer

Sold

REF: 7464

Height: 70 cm (27.6")

Diameter: 60 cm (23.6")

DESCRIPTION

ML3 table lamp designed by Ingo Maurer and produced by Design M, Germany, circa 1966.

The blown glass base, slender and transparent, supports a chromed metal stem surmounted by a wide conical shade in white lacquered metal. The interplay between the lightness of the glass and the assertive presence of the shade gives the piece an elegant and balanced silhouette. This lamp belongs to Ingo Maurer's early designs, marking the beginning of a career where technical innovation and poetic form were inseparably linked.

Manufacturer: Design M (Ingo Maurer), Germany, circa 1966.
