DESCRIPTION

Mobilier designed by Michel Cadestin for the Centre Pompidou Center in Paris in the mid 70s.

A museum piece for sure ! This desk with metal structure and perforated green-lacquered angle and beige melamine top comes with its three drawers filing cabinet in green-lacquered metal sheet. To go with it, a rare model of the Beaubourg chair on four wheels, one of the first models designed by Michel Cadestin before he brought the chair up to Mobilier Français standards, i.e. with five wheels.
