This example of a sofa bed was once part of the furnishings in the apartments of the iconic Résidence Nova in Les Arcs, a creation of the talented Charlotte Perriand.

The structure of this piece of furniture, crafted with carefully arranged pine slats, conceals two cleverly hidden rolling drawers accessible through a discreet drop-down front. The seat mattress and foam cushions are adorned with an elegant Mont-Blanc wool cover from the renowned Nobilis house.

The sofa easily converts into a bed measuring 190 cm \* 80 cm, providing an ideal resting space.

Seat height: 45 cm.
