DESCRIPTION

Charlotte Perriand, a true lover of the mountains, played a key role in the design and furnishing of the Les Arcs ski resort in the French Alps between 1967 and 1989. Her holistic approach encompassed not only the layout of the apartments but also the careful selection of furniture.

In this process, she incorporated these solid pine stools, known for their distinctive inverted U design. These pieces perfectly embody the functional and aesthetic spirit that Perriand brought to each space
