REF: 5894

Height: 45 cm (17.7")

Diameter: 30 cm (11.8")

DESCRIPTION

We love the vintage style of these four solid wood stools, which can go perfectly with the table in our selection.

The round seats are supported by X-shaped wooden legs, crafted with precision using mortise and tenon joints.

Origin: From a chalet in Méribel, French Alps circa 1960.
